

ArmChitect

An intelligence equipment for panel installation

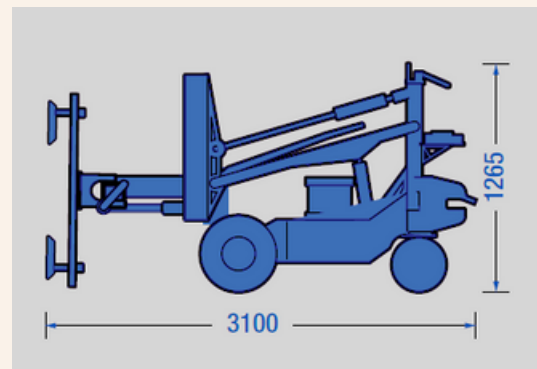

Specifications

(Standard - Model X)

*Specification for Standard model

Standard Features

1. Capacity:700kg(retract)/230kg(extend)
2. Height: 5M
3. Hydraulic Power:24V/2KW/12L
4. Control:CP2207A-5102
5. Drive Wheel:DC24/1200W
6. Battery:2*12V/120Ah
7. Charger:24V/15A
8. Unload Gradeability:10%
9. 360° Auto Rotation
10. Left/right 90° Auto Tilting

Operating Elements

1. Control handle
2. Forward/backward switch
3. Emergency reverse switch
4. Horn
5. Battery meter
6. Key switch
7. Lift/Lower bar
8. Mast forward/backward bar
9. Emergency stop

Special Offer
